MAR 01 | 2019 - FPGA Kongress

FPGA KONGRESS - INVITATION

FPGA-Kongress

FPGAs have made a regular evolutionary leap forward in terms of new approaches and solutions for both hardware- and software developers. Whether you are just getting to know the world of field programmable gate arrays or are already an old hand: the FPGA congress offers the right affiliation for every level of knowledge.

You can benefit from the FPGA knowledge of top-class international speakers, including TRIAS, and our partners Mentor - A Siemens business and Bitvis. through their specialist lectures and hands-on tutorials including test development on boards and computers.

If you have not already done so and want to register, you will find the link below. As a special incentive, for our customers only, we are pleased to offer you a concession. Register with code **Trias-FPGA19** and receive a **€ 50** discount off the registration fee.

Since the exhibition area of the FPGA Congress provides an ideal networking opportunity, TRIAS will be present on 21st and 22nd May. We look forward to welcoming you there.

▶ **FPGA Kongress**
21 - 23 May 2019, NH Hotel München-
Dornach

Information and
Registration

In order to be able to meet you and have plenty of time for your chosen subjects, we would like to ask, if possible, for a prior appointment.

Feel free to contact us on +49 (0) 2151 / 95301-0, or by email info@trias-mikro.de with the keyword FPGA Congress.

Best regards
Team TRIAS
