APR 01 | 2019 - FPGA Kongress

REMINDER - FPGA KONGRESS INVITATION

Dear Sir / Madam,

As you know, this year's FPGA Kongress takes place from 21st to 23rd May in Munich.

If you have not yet signed up, we would like to offer you a small incentive. Register with discount code **Trias-FPGA19** and receive a **€50** discount on the registration fee.

As a participant you will benefit from the FPGA knowledge of top-class international speakers, including TRIAS, and our partners

Mentor - A Siemens business and Bitvis - through their specialist lectures and hands-on tutorials including test development on boards and computers.

In addition, the exhibition area of FPGA Kongress provides an ideal networking opportunity, which is why TRIAS will be present with an exhibition stand on 21st and 22nd May. We look forward to welcoming you there.
