**PCB TECHNOLOGY DAY 2019 :** 25th April 2019 in Sofia

Dear Sir or Madam,

There are a few places left for our free of charge seminar at the Metropolitan Hotel in Sofia, on 25 April 2019.

So don't miss out on this opportunity to see **PADS - the next generation** as well as **HyperLynx** in action.

You will learn about new and much advanced features in PADS and in addition, **Mentor specialist Olivier Arnaud** will present the capabilities of the latest version of HyperLynx. A great possibility to **talk to an expert** and have your questions answered.

**Register now** to join our seminar and network with fellow designers - just follow the link below.
